Three countries. One trusted expert.

For over twenty years, Touch of Spice has expertly crafted full-scale journeys across New Zealand, Australia and Fiji: **private wine tastings in Central Otago, New Zealand, at golden hour, luxurious island resorts in Fiji reached only by seaplane, a table set at Uluru, Australia, as the desert turns red at dusk.** Ours to arrange, yours to offer.

Founder **Jacqui Spice** has been named a **Condé Nast Top Travel Specialist** for thirteen consecutive years running — this is the Destination Management Company behind her name. The only one you need.
